Scripture scholars call the first part of the Gospel of Mark the “Book of Signs”. The first several chapters of Mark show Jesus to be a whirlwind of energy and power: healing, exorcising, forgiving, preaching, cleansing, restoring.

This week we hear in our first reading that Moses had received an oracle from God that there would be a prophet coming who will speak the word of the Lord. God’s people would have to answer for their response (or lack of response) to this prophet who speaks with nothing less than the authority of God himself. As Christians we recognize that prophet in the Word of God made Flesh, Jesus Christ.

Through great signs and wonders Jesus makes the Love of God visible and tangible. These signs and wonders are known not only through the witness of scripture, but also by the witness of day-to-day events taking place in our midst. I am endlessly amazed at how God so generously blesses his people. Recognizing these gifts and graces is meant to feed our faith and call us, in faith, to greater trust in and love for God who is the giver of all good gifts. Taking this understanding, can we understand why Paul says what he says in his letter to the Corinthians? Having been touched by God’s love and God’s grace, he joyously takes on the sweet obligation of preaching the Gospel for all to hear. This example is a witness to us. We who see the miracles God works in everyday life are now called to share that Good News graciously with all we meet.

This week is Catholic Schools Week. As St. Dominic School is the single largest ministry of our parish, our attention is drawn to the holy work which is done there each and every day, to advance the preaching of the Gospel. Our students, their parents and families, our staff, and our parish make a cooperative effort, at great expense and sacrifice for all involved, to provide not simply a quality private education, but a Catholic Education which inculcates all the best the Church has to offer: its theological heritage, its understanding of the human person and society, its practice of prayer and liturgy, its commitment to research and knowledge in service to the truth, its orientation towards stewardship of the graces and resources shared by all of God’s family, and its unity as the Body of Christ, serving each of its members as needed to orient them towards the Kingdom of God on earth as it is in heaven. Let’s rejoice in the gift of our Catholic School in a special way this week!

A Message from Mrs. Carol Frericks—Principal

## Catholic Schools Week: Celebrate Holy Moments of Holy Heroes

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2021 is January 31 – February 6. The theme for National Catholic Schools Week 2021 is “**Catholic Schools: Faith. Excellence. Service.**” At St. Dominic School, we will spend our week celebrating the Holy Moments of our Holy Heroes, which includes the Catholic Saints, Community Heroes, Students, Parents, Vocation Role Models, and our School Teachers and Staff Members. Each day of the week, our school will begin Morning Meeting with prayer to give thanks for our **Faith** and recognize the Holy Moments we experience and in the lives of Holy Heroes. Then, we will engage in a special activity tied to the theme for the day to experience **Excellence** in learning with our class and/or our buddy class. We will also use our time, talent, and treasure each day to provide **Service** for others in our school, families, community, and nation. As a school family faith, St. Dominic Catholic Elementary School instills in students their destiny to become saints or Holy Heroes.

## St. Dominic School Catholic Schools Week & Annual Fund Drive Kick-Off

This Sunday, January 31st, marks the beginning of Catholic Schools Week. We are so excited to celebrate our Catholic faith in education by holding fun filled activities throughout the week at St. Dominic's.

Along with Catholic Schools Week comes the kick-off to our school's Annual Fund Drive. The fund drive held every year helps cover costs that are not fully covered by tuition and fees. We are asking for your consideration of supporting our fund drive with your prayers, time, talent and/or a financial donation to invest in our youth—*our future!* No gift is too small! Whatever you contribute will be a blessing to our school as well as an investment in the future of our youth.

Pledge cards have recently been mailed out and there will be some extras available in the pews and vestibule of the church.

Thank you for your generous support of St. Dominic School, God Bless You!

## Yearly Contribution Statements

If you are needing a contribution statement for 2020 from St. Anthony Church please contact the parish office, 222-5996, to request a statement. These will only be printed upon request.
