## July 18, 2021 — Sixteenth Sunday in Ordinary Time

### A Message from Fr. Tom Donovan:

It is **St. Anthony Picnic Weekend** once again. Welcome to all of our family, friends, neighbors, visitors, and benefactors. The Picnic is, first of all, an opportunity to celebrate our parish family. For more than a century our parishioners and our forebears have gathered here to fry chicken, drink cold beer, entertain the children with games, hear music, and renew friendships. It has, of course, also been one of our major fund-raisers through the years to help support the parish and its mission and

ministries. Our midsummer event has relied on the hard work of many who staff the stands, help with the setup and take-down, who donate to the country store, the raffles, and the other prize pools, and who maintain the grounds and the infrastructure (electric, kitchen equipment, mowing and landscaping, among many other activities) year-round that we can be ready for the Picnic when it rolls around. To them, and to all who come out for the Picnic, please accept my profound thanks!

**"Setting the Table"...** Our reading of the sixth chapter of the Gospel of Mark ends this weekend, preparing for the next six weeks' readings from the sixth chapter of the Gospel of John, where Jesus proclaims, "I am the Bread of Life." (John 6:35) In the next verses of Mark 6, we were to hear the story of the feeding of the 5,000, but the Gospel of John tells the story and then pauses to meditate on the meaning of that miraculous day at some length. The Church invites into that meditation by presenting the sixth chapter of John over six weeks, allowing us to see ourselves as the hungry, lost sheep from today's Gospel. "Come away by yourselves to a deserted place and rest with me for a while." (Mark 6: 31) Everyone reading this bulletin should have a bible at home; I invite you to re-read the sixth chapter of John during the coming week. The Lord has an important message for us all, if we slow down and come away with him for a little while.

A couple of weeks ago on the school page, we introduced Miss Hope Glidewell as our Coordinator of Family Faith Formation (CFFF), a position which is intended to carry on the ministries and activities formerly carried out by our "Director of Religious Education" (DRE). Hope is presently working towards a Master of Arts degree in Catechetics and Evangelization from the Franciscan University in Steubenville, all the while teaching 8th grade at St. Dominic School. You may also recognize her as our organist at the 6:30pm, and now, 8:00am Masses.

One of the ministries coordinated by Hope will be the Parish School of Religion (PSR). Last week our parish secretary sent an email to the known addresses of the prior year's students, asking for preferences regarding scheduling this year's PSR. We ask that if you received one of these emails, that you please respond! If you intend to enroll your children in PSR for the 2021-22 academic year and did not receive this email, please let the parish office know (217-222-5996) and we will include your preferences in our consideration for the coming year's schedule of activities.

When Hope calls to ask your assistance in our religious education offerings, please say a prayer and then say 'yes!' Evangelization is a task that belongs to us all, helping us to increase our faith, even as we learn to share it with others!

## A Message from Mrs. Carol Frericks—Principal

### Why Does Catholic Education Matter?

According to the Alliance for Catholic Education at the University of Notre Dame, our Catholic education matters because we value relationships as a reflection of our divine relationship with God. Catholic school students learn to experience God's grace and presence in their lives through their many relationships with family, friends, and teachers. These loving and supportive relationships that our students experience are reflections of the love and life-giving dynamic of the Holy Trinity. As a school and parish community we celebrate our successes and achievements. We share grief and downfalls. We unite together in solidarity, and even challenge each other to become better reflections of the divine. We are made for community.

### I love my school because...

“Of the relationships I can build at the school. I can build relationships with classmates and teachers. Most importantly though, I can build a better relationship with God. We learn about God and how to treat others every day. I get the chance to get a higher education for high school and college. My class is a perfect fit because we all can get along with each other.”

-Joe Warning

The Liturgy of the Word for Children will resume Sunday, August 1. Children can participate at the 8 and 10:30 a.m. masses. This is an opportunity for children ages 3 to 7 to hear the gospel in words more suitable to their understanding. It is not a play time, but fidgeting and talking are allowed as an adult leader encourages the children to talk about the gospel message together and also guides them as they work on a color sheet that further explains the message of the gospel with pictures. The children then take the color sheet home to show family and to talk as a family about the color sheet and the message of the gospel."

If you have any questions or want to be involved as an adult leader please call Carrie Potter 217-2 57-5278 or Vicki Wittland 217-2 23-3610. Those persons that signed up through the stewardship renewal to assist with this ministry will be contacted soon. "

*"... in order that all might have access to having Masses celebrated for their loved ones, we typically ask that a name appear no more than once a month at a weekend Mass. We will do our best to satisfy requests for specific dates (anniversaries of birth, death, etc). But if a date is already chosen and we are requested to add a second intention to that day because of the personal importance of the day, we must have permission of both in order to set a day with a double intention. ....particular intentions scheduled on Christmas, Easter, or other high-holy days occur no more than once every three years. .... Thank you for your understanding in this matter."*
