YOU CAN HELP MAKE QUINCY A SAFE HAVEN FOR THE UNBORN

A new grassroots effort is underway to limit abortion at the local level. The federal "Comstock Act" prohibits mailing and receiving abortion-inducing drugs and paraphernalia. A proposed ordinance would call for the lawful enforcement of the Comstock Act in Quincy, thus making our city a safer-haven for the unborn. Because of Quincy's location on the Missouri border, our community is vulnerable to possible efforts on part of the abortion industry to establish clinics or even deploy a mobile abortion van. Let's tell them "not in our town!" **Right to Life of Adams County's** website has more information about this ordinance, contact information for your public officials, and a link to an online petition: <https://rtlac.org>

Petition signers do not have to be residents of Quincy to support a safe haven for unborn babies. Petitions will also be available at Church this week and next. Spread the word and thank you for your support!

Thank you to everyone who advertises on our bulletin. Please support these businesses when you can.

The Reluctant Saint: The Story of St. Joseph Cupertino

This film portrays the life of St. Joseph of Cupertino, the humble Franciscan friar who literally rose to sainthood. In the impoverished village of seventeenth century Cupertino, Italy, Joseph's peasant mother convinces the reluctant abbot to accept her son into the monastery. With the support of the kindly local bishop who sees in him a great deal more than others do, and by a series of miraculous incidents, the simple but pious Joseph is ordained a priest.
